What are Cookies?

Cookies are small text files that are placed on your computer by websites that you visit.

They are widely used to make websites work, or work more efficiently, as well as to provide information to the owners of the site. The only cookies used on the GMC Motorhomes website currently are Google Analytics Cookies.

Google Analytics Cookies

Google Analytics cookies provide us with data about visitor usage patterns on our site. They allow us to count the number of visitors and to see how visitors move around the site when they are using it. This helps us to improve the way our website works, for example by making sure users are finding what they need easily. Visitors to the site remain anonymous.

For more information about cookies, please see: <http://www.allaboutcookies.org/>
