

Repairs & Servicing

Buying a motorhome, whether you're a seasoned motorhome owner or a first-time buyer is always an exciting experience

You are choosing the mobile home that will come along with you on your future adventures, keeping you cosy and comfortable.

We understand that you want to find the perfect fit for you and keep your new motorhome looking it's best for years to come.

After coming along with you on all those adventures, your motorhome will require regular servicing to keep it in tip-top shape. As with any home, occasionally parts might need repairing or replacing along the way to keep your motorhome looking and feeling as good as new. Here at GMC motorhomes in Shrewsbury, when you buy your motorhome with us, the journey doesn't have to end when you drive away. We provide a whole range of quality motorhome repairs, servicing and fittings to help you to care for your motorhome. Whether you have bought your motorhome directly from us or from elsewhere, our team has years of experience and will be happy

to assist you
with servicing and repairs.
