

**!** BEST VAN IN CLASS

# MALIBU VAN 2020

**Price list**  
2020.1 EN

**malibu**  
a company of carthago

## Basic vehicle

- Fiat Ducato 33/35 light Chassis, high roof box-type van
- Engine: 2.3 l diesel Multi-Jet engine with Adblue, 120 HP / 89 kW, 4 cylinder, 320 Nm, Euro 6 d-TEMP, 6-speed gearbox, front-wheel drive
- 75 litre fuel tank
- Daytime running light integrated in the headlight
- Safety equipment ESP, ABS, ASR, electronic immobiliser, central locking with remote control, Hillholder, Traction Plus, Hill Descend Control
- Driver's airbag
- Cup Holder
- Multi-functional holder for tablet and Smartphone integrated in dashboard
- Electric windows at driver and passenger sides
- Fix & Go repair kit

## Main cabin

- Fully insulated floor panel, wall and ceiling insulation with water-repellent RTM hard foam and full-surface body insulation with polyurethane mats
- Extended exterior decor "exclusive line"
- Extra wide, electrically operated entrance step with warning buzzer
- Entrance lighting / reading spotlight at passenger side in the entrance area
- Quality hinged window with insect screen roller blind, blackout system and window opener: two windows in the living area, two windows in the rear doors, model 640 LE: additional hinged window in the rear area at the passenger side

## Driver's cabin

- Driver and passenger pilot seats with armrests with adjustable tilt at both sides, seats can be rotated by 180°
- Malibu Van: driver's cab overhead locker with front hatch
- Malibu Van Charming Coupé: unique feeling of spaciousness thanks to the extended interior height in the driver's cabin and above the lounge seating area
- Malibu Van Charming GT: also with large panoramic skylight from driver's cabin to above the lounge seating area instead of driver's cabin overhead storage compartments

## Interior design

- Malibu Van: Turin world of style with furniture finish in Wild Pear decor
- Malibu Van Charming / Charming Coupé / Charming GT: furniture finish in Noble Cherry decor and light floor covering, kitchen drawer fronts and overhead storage cabinet bottom in mother of pearl white, ceiling canopy with indirect ambient lighting using LED lighting technology
- Kitchen unit with exterior LED accent light strip and Malibu branding in chrome
- Indirect accent lighting in entrance area

## Living area

- Driver's cabin seat can be fully integrated into the lounge seating area
- Double floor storage compartment beneath lounge seating area with large access hatch and high-quality hinges
- Living area seat upholstery with premium multi-layer foam core
- Large storage drawer beneath the seating area
- Additional storage compartment access above seat bench cover with special fitting without removing the upholstery (not for models 540 DB, 600 LE low-bed)
- Living room table with pull-out table top extension
- Large Midi Heki skylight above the lounge seating area
- Extra-deep and extra-high illuminated wardrobe: clothes hanger depth, positioned beneath fridge (model 540 DB, 600 LE low-bed: wardrobe integrated into overhead storage cabinet)
- Multi-bonded, sturdy wood
- Double-connection technology: furniture sections screwed together and mortised several times
- Holders, hinges and rails in solid metal
- "Ergo" furniture doors with handles, easy to use and more securely closed during travel

## Kitchen

- Charming / Charming Coupé / Charming GT: overhead storage cabinet above kitchen area with shelf in entrance area
- Kitchen worktop with sturdy surface in shale design
- Two-ring gas hob with glass cover, stainless steel version, electric ignition
- Stainless steel sink integrated flush into the work surface
- High design mixer taps with metal tap, ceramic seal
- Spacious kitchen drawer, on rollers with Soft Close mechanism
- Integrated wooden cutlery insert
- Waste bin in entrance area, integrated in the kitchen area (not in models 540 DB, 600 LE low-bed)
- Exclusive Malibu absorber fridge for maximum self-sufficiency thanks to flexible energy source selection (12V / 230V / gas, models 600 DB, 640 LE)
- Compressor fridge (models 540 DB, 600 LE low-bed), optional additional battery recommended
- Hinges and rails made of solid metal

## Bathroom

### 3-in-1-flexi-bathroom (Models 600 DB, 640 LE)

- Biggest bathroom in its class: the room size is increased for washing and showering by swivelling the toilet away
- Shower room which can be partitioned off completely using a linked door and a pivoting element
- Shower head on chrome rail
- Single mixer tap with ceramic seal
- Mini Heki skylight

## Compact bathroom (models 540 DB, 600 LE low-bed)

- One level floor with even transition through shower insert, additional freedom of movement is created in the kitchen area when the linked shower door is open
- Flexible bathroom: thanks to having a toilet and washbasin which can be swivelled away, the amount of room for washing, showering and toilet use is increased
- Mini Heki skylight

## Sleeping / Rear storage compartment

- Rear beds with two piece, heated and ventilated sprung slatted frames across the entire vehicle width
- Adjustable rear beds for using the rear storage compartment
- Convenient access to the bed via wide access steps (model 600 DB: extendible, model 640 LE: can be flexibly removed when using the rear area as a storage compartment, models 540 DB, 600 LE low-bed, 600 DB low-bed with extra low bed access without steps)
- All-round overhead storage cabinets
- Additional storage compartments under the rear beds
- Additional shelf beneath the overhead storage cabinets at the driver and passenger sides
- Mini Heki skylight above rear bed
- Rear windows with cold and impact protection on the rear windows

## Technology

- Water drain cocks protected from frost and in an easily accessible location
- Water supply via immersion pump system
- Gas box accessible via the rear access (models 600 DB, 640 LE: 2 x 11 kg, models 540 DB, 600 LE low-bed, 600 DB low-bed,: 2 x 5 kg)
- Gas taps in kitchen area
- Electric centre beneath driver's seat
- 230 V sockets in kitchen, bathroom and entrance area
- 12 V sockets in driver's cabin area
- Exterior 230 V electric feed via exterior socket
- 16 A automatic charger, electronic control, automatic shut-off feature at low voltage, including vehicle battery charging function
- 80 Ah cabin battery
- Multifunctional panel above entrance door
- Technical panel above entrance door (Charming, Charming Coupé, Charming GT)
- Numerous LED spots in the entire living area with indirect accent lighting in entrance area
- Heating Truma Combi 4

## Malibu Van Charming

- Modern, friendly and light ambience with high exclusivity feel
- Ceiling canopy with indirect ambient lighting using LED lighting technology
- Charming world of style with furniture finish in Noble Cherry decor and light floor covering, kitchen front panels and overhead storage cabinet base in mother of pearl white

## Malibu Van Charming Coupé

- Unique feeling of spaciousness thanks to extended interior height in driver's cabin and above lounge seating area
- Open driver's cabin area with continuous overhead storage cabinets at the side for more headroom and freedom of movement instead of driver's cabin overhead storage compartment
- Charming world of style with furniture finish in Noble Cherry decor and light floor covering, kitchen front panels and overhead storage cabinet base in mother of pearl white

## Malibu Van Charming GT

- With real motorhome comfort thanks to the unique feeling of spaciousness and driving enjoyment thanks to the large panoramic skylight extending from the driver's cabin to above the lounge seating area
- Open driver's cabin area with continuous overhead storage cabinets at the side for more headroom and freedom of movement instead of driver's cabin overhead storage compartments
- Charming world of style with furniture finish in Noble Cherry decor and light floor covering, kitchen front panels and overhead storage cabinet base in mother of pearl white

○ = special equipment X = standard equipment - = not possible ● = included in the package

<sup>1)</sup> Media centre with touch screen, DVD drive, 2 USB ports, hands-free phone system via Bluetooth / monitor for optional reversing camera.

<sup>2)</sup> Top Line SL TV with receiver (incl. USB, HDMI, Full HD).

<sup>3)</sup> Retrofitting cost significantly higher.

<sup>4)</sup> Models 540 DB, 600 LE low-bed: without wall holder.

<sup>5)</sup> With version f40 incl. 16 inch steel rims.

<sup>6)</sup> The mud flap option is not available in conjunction with options f40 No. 310181, 310182 (Heavy chassis) and painted bumpers No. 410215, 410216.

<sup>7)</sup> The weight in roadworthy condition is defined in the standard configuration by (EU) no. 1230/2012 incl. basis equipment (driver 75 kg, 90 % fuel, 20 l fresh water, 1 aluminium gas bottle and electrical connection cables).

The weight in a roadworthy condition changes due to the installation of extras and special features. Weight deviations in weight of up to 5 % are possible and permitted.

<sup>8)</sup> When selecting a driver's assistance package, there is a cut out for the camera housing in the vicinity of the camera position (top centre) for the driver's cabin blackout system.

<sup>9)</sup> ECO Pack: Start & Stop System. Reduction in pollutant emissions. Electrically controlled fuel pump increases combustion efficiency, since the fuel is not heated.

<sup>10)</sup> Double floor in rear storage compartment option 810755 only has limited access, coupling load (surface load) max. 95 kg.

<sup>11)</sup> The optional lithium ion batteries replace the standard Gel battery.

<sup>12)</sup> The charge booster is incorporated between the alternator and the starter / and also the main cabin battery and ensures that the alternator generates power until the batteries are charged.

<sup>13)</sup> In event of unfavourable conditions, manual readjustment of the air conditioning system may be necessary.

<sup>14)</sup> The 9G-Tronic automatic transmission is not possible with the Fiat Ducato f33 version and engine variant 120HP.

<sup>15)</sup> Trailer load 2,500 kg taking the total towing weight into consideration chassis version f33 5,800 kg, f35 6,000 kg and f40 6,500 kg.
